## **International Mining Company Invest Inc**

International Mining Company participated in the International Convention, Trade Show & Investors Exchange. It took place in Toronto, Canada and was organised by PDAC (Prospectors & Developers Association of Canada <http://www.pdac.ca/>). Our booth (#725) shared with Picodas Group was located next to the exposition of Aerogeophysica (RF). IMC has presented the GeoVision and GeoScan technologies for mineral exploration and evaluation. These are due to be applied and tested in the following field season on the company's licence areas in the Kyrgyz Republic. The new exploration methods have attracted much interest.

The company was represented by Mr S. Khokhlov - Director, CEO; Mr L Katz - Vice President of D.H. Blair Investment Banking Corp.; Mr V. Spysin - Geologist, Mr F. Bottos - Geophysicist. IMC became a member of PDAC.
